

10th Annual Attorney General's Legal Food Frenzy

By August 10, 2021

Bovis, Kyle, Burch & Medlin was honored to compete in the 10th Annual Attorney General's Legal Food Frenzy, a food drive benefiting our local community food banks. Our attorneys and staff generously raised the equivalent of 13,749 meals for those in our community who are food insecure. We thank the organizers for facilitating the event. #LegalFoodFrenzy #GALFF
