

## **Atlanta CE Seminar**

By January 31, 2018

On January 30, 2018 **Christina Gulas** partnered with biomechanical engineer, Dr. Torrence Welch of Rimkus to talk about how to select and use experts when defending tort claims. The topic was presented to a group of 60 risk managers and insurance professionals in the Atlanta area. Attendees earned CE credit for attending the presentation, and they provided a lot of positive feedback. Bovis, Kyle, Burch & Medlin sponsored the event which included two other seminars, one on biomechanics and one on ethics, making attendance free for all attendees.
