

## **Billy Davis Talks to Truckers About On-The-Road Accidents**

By February 19, 2018

Billy Davis spent two days in Tyler, Texas speaking with over one hundred commercial truck drivers to arm them with tools to gather and preserve evidence at the scene of on-the-road truck accidents. Billy shared his experience working numerous accident scenes which have shaped his philosophy of early intervention by counsel to direct a thorough investigation of accidents from the moment they occur.
