

Bovis, Kyle, Burch & Medlin has nine attorneys designated as Superlawyers, one as a Top 50 attorney in Georgia

By April 6, 2015

The firm continues its longstanding tradition of having some of the finest attorneys in their respective fields. The Superlawyers designation recognizes the top 5% of all attorneys in their specific area of practice across the state of Georgia. Attorneys are first nominated for the distinction, then vetted by both their peers in the legal community in combination with an independent research process. Additionally, the firm had 2 selections to the Superlawyers Rising Stars selection, which recognizes the top 2.5% of all attorneys in their respective areas under the age of 40.

A special congratulations to Family Law section partner **Erin Stone** for her additional selection to the Superlawyers Top 50 Women Attorneys in Georgia.
