

Builders Insurance Group - Charity Classic XVI

By November 2, 2017

Steve Kyle, Will Warihay, Grant Tall and Robert Mastin recently participated in Builders Insurance Group's annual charity golf tournament to support Kids' Chance of Georgia, which raised a significant amount of money for this worthy charity. This tournament has been in place for sixteen years, and during this time, has raised almost \$800,000 for this worthy cause. Bovis Kyle was glad to sponsor and participate in this charitable event this year, which provides educational opportunities for children whose parents have been affected by workplace injuries. Kids' Chance believes that we can make a significant difference in the lives of all children affected by a workplace injury by helping them pursue and achieve their educational goals, and Bovis Kyle was privileged to contribute to this overall mission and worthy cause.
