By September 25, 2014

Bovis Kyle has been recognized as one of 2014's Top Ranked Law Firms in the United States, as recently announced by LexisNexis Martindale-Hubbell. This honor was bestowed upon only 2,442 law firms nationwide. Roughly one-half of one percent of firms across the country were ranked in this elite group. To be eligible as a 2014 U.S. Top Ranked Law Firm, the firm must have a minimum of 10 attorneys and at least 33% of their attorneys must have achieved an AV Preeminent peer review rating.

Martindale-Hubbell Peer Review Ratings are driven by the confidential opinions of lawyers and members of the judiciary who provide reviews of attorneys about whom they have professional knowledge. The AV Preeminent rating indicates the lawyer has demonstrated the highest in ethical standards and legal ability as determined by his or her peers. "Having a significant percentage of attorneys with this peer review is a reflection of [a] firm's expertise, experience, integrity and overall professional excellence," according to LexisNexis.
