By April 13, 2017

That's right! Two of Bovis, Kyle, Burch & Medlin, LLC's attorneys will be presenting topics at the 28th Annual Southern Surety & Fidelity Claims Conference in Nashville next week. The two-day conference is held on Thursday and Friday, April 20th and 21st.

First up is Attorney **Greg Veal**, presenting "Risky Business: Impairment of Surety and the Restatement." His co-presenter will be Jimmy Sparks of International Fidelity Insurance Co. Greg is a partner who has been with our firm since 1993. You can view his profile here:

Our second representative for the SSFCC is **David Harris**. David will be discussing the topic "Handling High Volume Document Review" with co-presenter Jennifer Leuschner of The Hartford. This isn't David's first rodeo with SSFCC, either. In fact, he was their program chair for the 26th annual conference in 2015.
